GDPR Handbook and Business Template Kit

The **GDPR Handbook and Business Template Kit** is a guide to the global impact of the General Data Protection Regulation on the world and the necessity for Australian Small businesses, entrepreneurs and startups to consider the possible impact on existing – or planned – business ventures.

Why this kit is needed: If you have European citizens as customers then compliance is compulsory with fines of up to Twenty Million Euros or 4% of your global income, not just your European Income apply.

Who Prepared the Kits. The Master Advisor Program has an exclusive relationship with a team of Australian Lawyers and UK Compliance specialists who have trained 1,100 companies, 4,500 Churches, 450 Schools, 11 Universities, 19 Accountants, 6 Law firms, 3 leisure clients, 20 Charities, 4 Transport companies, 70 others and 10 Managed Service Resellers.
